PREFACE.....

The Catholic War Veterans Auxiliaries throughout the United States of America, have many different types of activities in which our members have the ability to serve as leaders. Leadership is most effective when it is based on sound ideals and good principles of organization and authority.

The purpose of this Officers' Manual is to present as a guideline, the responsibilities of each officer so that she/he will be a successful leader. The strength of an Officers' leadership will depend on the understanding of the ideals and ideas as well as the purpose and procedures of the Catholic War Veterans Auxiliary and in working with the programs of all the higher echelons. One can only learn to lead by leading. This Officers' Manual is meant as a guide.

PRINCIPLES OF ORGANIZATION

Desirable Qualities

In order for the principles of the Catholic War Veterans Auxiliary of the United State of America to work and carry on, Officers need to do three things. They must be willing to work hard. They must know the organization and their own specific duties, and they must instill enthusiasm into each other and their membership. This is not always an easy task but officers that accomplish this will attain the most successful results. An organization whose officers have these qualities will succeed. " Nothing worthwhile was ever achieved without hard work, the willingness to learn and enthusiasm."

NATIONAL OFFICERS

The National Officers constitute the centralized authority or government of the Catholic War Veterans Auxiliary of the United States of America. The Officers are:

1. National Chaplain
2. National President
3. National First Vice President
4. National Second Vice President
5. National Third Vice President
6. National Treasurer
7. National Welfare Officer
8. National Historian
9. National Ritual Officer
10. National Three Year Director
11. National Two Year Director
12. National One Year Director
13. Past National Presidents
14. Past National Chaplains
15. Department Presidents
16. Liaison Officers
17. Secretary

All officers should familiarize themselves with the National Constitution and Bylaws of the Catholic War Veterans Auxiliary of the United State of America as well as the Bylaws of the echelons under which they operate. Every member should have a copy of the Auxiliary Ritual book and a knowledge of what it contains. In addition, officers should know the fundamentals of Parliamentary Law governing assemblies to conduct the regular business at a meeting. The regular Order of Business is found in the Auxiliary Ritual Book.

Committees

A successful organization delegates responsibility and authority through the use of committees. A committee is a small group of members who are appointed to perform special work for the organization.

CHAPLAIN

The position of Chaplain is essential to give advice in matters pertaining to faith and morals. He should always be shown proper courtesy and respect. He should advise what we can do to promote Catholic Action. The Chaplain on the National Level is also an integral member of the St Agnes Committee.

PRESIDENT

The President of the Catholic War Veterans Auxiliary, is its Chief Executive. As the leading officer, the President performs a number of important roles. The President must be able to use common sense, tact, fairness and a working knowledge of parliamentary procedure to properly chair meetings effectively.

The President as the Presiding Officer is responsible for seeing that the business of the organization is transacted in proper order, that order and decorum are always observed, and that the bylaws are always enforced.

Leading a successful organization is not a one-person job. It is the President's duty to appoint individuals to serve as committee chairpersons and assist them in their

endeavors. A President cannot reach the objectives of the Auxiliary alone; it takes the effort of many members to accomplish the results.

Duties of the President:

1. Appoint Chairpersons of various committees.
2. Confer with Past Presidents to avoid mistakes and improve on ideas.
3. When needed call special meetings of the Board to discuss any important issues.
4. Formulate general plans for the year's program in conjunction with National Officers programs and set definite goals.
5. Assist the Treasurer in preparing a budget for the organization and have it approved by the Executive Board and veterans.
6. Check with each Committee Chairperson and Officer between meetings, to see if any problems have arisen which need to be addressed, and see that all goals have been set.
7. Radiate enthusiasm and give encouragement to all Officers and Committee Chairpersons, in order for the best possible job to be accomplished by all.
8. Preside at all meetings of the Executive Board. In the President's absence the First Vice President acts for the President.

The President is responsible to the membership for the proper governing of the affairs of the organization. The President informs higher echelon of any new programs which have been planned by their unit. The President conveys suggestions and ideas of value to higher echelons and seeks advice and aid in pursuing the National Program from the other echelons.

The President will bring to the attention of a higher echelon, special problems beyond the solution of their unit and requests special help when needed.

The President attends regular meetings of higher echelons so the channeled information may be available to their unit. The President represents the Auxiliary in community civic affairs. The President speaks for the Auxiliary in community affairs. The President guides the public relations of their auxiliary.

The President, as a representative of her/his unit, must be ever aware that she/he is the representative of the Catholic War Veterans Auxiliary of the United State of America. The President must be particularly alert when dealing with members of other faiths and civic projects. The President should seek the guidance of the Chaplain when representing the organization. The President of a Catholic War Veterans Auxiliary will often be called upon to speak at public affairs such as rallies, forums, banquets, etc. She/he should be prepared to make appropriate remarks which will represent the sentiments of the Auxiliary.

FIRST VICE PRESIDENT

The duty of the First Vice President of each Unit is to organize and set in motion the agenda for CATHOLIC ACTION. Members should be encouraged to support the ideas and ideals of the Catholic Church by taking an active role in the Church. Every member should exemplify the Catholic religion by honoring our Blessed mother at all times.

The activities that we are encouraged to enact include: sponsoring a Corporate Communion Mass and breakfast; volunteering in the various Church Ministries in the local parish (becoming ushers, Eucharistic Ministers, volunteer Secretaries, teaching RCIA/CCD/First Communicants, etc.), donating to various Catholic charities, saying a decade of the Holy Rosary before CWVA meetings, offering prayers for those members in hospitals, nursing homes and homebound, participating in Pilgrimages and retreats. Do something as simple as attending daily mass when possible and/or being present at a memorial service for a deceased member or relative of a member.

SPIRITUAL BOUQUET FOR THE HOLY FATHER

The Spiritual Bouquet project is an important Catholic Action activity. Begin early and remind all that prayers help. Remember the prayer for the Holy Father said after each meeting. Pray for the Holy Father for his intentions and for his good health. Join spiritually in his prayers for peace. There is a report form for these activities that occur between October 1st and the following June 30th.

CATHOLIC ACTION REPORT FORM CATEGORIES

CORPORATE COMMUNIONS: Corporate Communion should be encouraged especially in the months that have five (5) Sundays. Strive for 100% attendance in conjunction with your Post. It is suggested that some activity be held following Mass, such as a breakfast or dinner.

RETREATS: A Retreat or Day/ Night of Recollection may be planned, inviting other Auxiliaries or parishioners to participate. Take part in a retreat and attend a Parish missions. In all programs, seek the assistance of your Chaplain; the spiritual and social benefits are most rewarding.

MASSES and SPIRITUAL BOUQUET: Masses for Memorial Day, Veterans Day, First Saturdays for Priests, etc., could be planned with your First Vice Commander as a joint venture. A POW/MIA mass would be in order so we can remember those veterans who cannot be with us. A Spiritual Bouquet of prayers for the needy and destitute, to end abortion, for our country, and all the servicemen and women could be made.

ROSARY: Take part in Novenas to Our Lady of Fatima. Recite a decade of the Rosary before the start of your meetings. Carry a Rosary with you at all times, at least a blessed "Finger Rosary". Attend Rosary services for deceased members and/or family members.

RELIGIOUS and MISSIONS: Remember our Chaplains and seminarians who are usually discreet about their needs. Ask if they are in need of any

assistance that you may be able to offer. The missions are always in need of material goods or monetary donations; both are greatly appreciated.

ADOPT A MILITARY CHAPLAIN: praying for these chaplains is the CWVA way of showing how much we appreciate their interest and devotion to our men and women who are serving in the military. Donations to the Archdiocese for the Military Services, USA, may be sent to: P.O. Box 4469, Washington, D.C. 20017-0469.

PARISH COMMITTEE WORK: There is a never-ending need for volunteers on parish or diocesan committees. Encourage members to volunteer their services. There are CCD classes and fund-raising programs for the maintenance of our churches. Promote Catholic literature by subscribing to your local Catholic Diocesan newspaper and/or to The Catholic League for Religious & Civil Rights at: 450 Seventh Ave., 34th Floor, New York, NY 10123. The Catholic League keeps one apprised of issues pertinent to our Catholic faith. There are many other Catholic publications that can be read and shared among the membership.

OBSERVE CWV DAY, DEC. 8TH: Plan a Mass and some social activity jointly with your Post. Take part in the Good Friday services of your parish. Promote our “Keep Christ in Christmas” program by using religious Christmas cards and stamps and encourage others to do the same. Encourage merchants to use yard and window displays that are religious.

ADOPT A PRIEST (known only to you and Our Blessed Mother). They need our prayers as well as our financial support as they continue to extend a helping-hand to people in need.

SPECIAL PROJECTS: This is your individual section of the report and can cover a great number of programs pertaining to Catholic Action. Join a local group working on the pornography issue. Write to your local TV stations regarding

films and programs degrading the Church and its leaders. We are interested in learning about your special Catholic Action projects.

AMERICANISM AND CIVICS

This program, part of the First Vice President's duties, seeks to assist in the civic health of the community, to assure the protection of all citizens and the preservation of individual and civil rights. Members are encouraged to look objectively into the qualifications and backgrounds of candidates for local and national elections and understand how their platforms help to preserve the ideals and ideas of the Catholic Church.

Respect for our American Flag is the cornerstone of this program. Fly it prominently and proudly daily, or at least display the symbol of our Nation on patriotic holidays. Place flags on deceased Veterans' graves; present American Flags to community and school groups that all may display them and give tribute to our great Nation and Flag by recitation of the Pledge of Allegiance.

Military mail programs should be encouraged. There are several corporate places that distribute voluntary mail to service members around the world. There are also community members who, as members of the Armed Services, can distribute mail to their units. Let our armed forces know how proud we are of their service to our country. Remember, they are serving us.

Community activities could encompass participation in programs which help to combat the use of drugs, the use of alcohol, the abuse of our children, pornography and obscenity. The right to vote is a privilege enjoyed by every citizen. Encourage exercising this right by registering and voting early and smartly, by offering transportation to those unable to walk to the polls, by baby-sitting to allow parents time to vote. Express your views to public officials for the civic and environmental needs of your community. Participate in community civic affairs, town hall meetings, etc.

SECOND VICE PRESIDENT

The Second Vice President assists the President as directed. The main duty of the second Vice President is developing programs that will increase membership.

The potential for membership is great, as there are several eligible Auxiliary members in the family of one veteran*. Membership is open to Catholic fathers, mothers, spouses, widows, brothers, sisters, sons, daughters, nephews, nieces, grandfathers, grandmothers, stepfathers, stepmothers, uncles, aunts, grandsons, granddaughters not less than eighteen (18) years of age, of living or deceased Catholic veterans, including the spouse of an individual who is a Prisoner of War or Missing in Action, and provided further, that the dues of such member shall be waived for so long as that individual remains a Prisoner of War or Missing in Action. Membership in the Auxiliary is also open to Catholics recommended by a Catholic War Veteran.

Earnest campaigning will increase your membership. It would be beneficial to work with the unit's Second Vice Commander in organizing annual membership drives. Second Vice Presidents should always have on hand an application for a potential new member.

Second Vice Presidents are responsible for sending out notices when dues are due and for collecting annual dues. They are responsible for submitting dues to the treasurer and remitting per capita and member transmittal sheets through echelons and to National. Second Vice Presidents are also responsible for keeping track of life memberships and for recording a member's death.

Second Vice Presidents on the Department level, are also responsible for calculating delegate strength for their department convention and for collecting delegate fees at the Department's annual convention.

THIRD VICE PRESIDENT

One of the most important programs is youth activities. Our youth of today are our leaders of tomorrow! We must help our youth cope with our ever changing society and peer pressure by assisting them whenever possible. Contributions and unselfish help to local Youth organizations will help to channel our youth into constructive pursuits and away from temptations. Our youth of today are our leaders of tomorrow!

Sponsor and participate in youth groups in parishes and localities such as Confraternity of Christian Doctrine, CYO groups, Scouts, Little League, Special Olympics, sports activities, etc.

Sponsor and/or participate in poster and essay contests, spelling bees and scholarships. If the Unit can afford it, monetary awards are appropriate prizes in such activities. Awards may be made at commencement ceremonies, "Moving Up" ceremonies, etc. Whenever possible such presentations should be made by Officers in full uniform.

The Immaculate Conception Burse is set aside for scholarship offerings to youth graduating High School and needing assistance in attending College. Recommend the program to one or more youths. This helps to put forth the ideals and ideas of the CWVA to the youth of our country who are, perhaps, in need of good direction.

SECRETARY

The Secretary assists the President and the Board of Officers in the administration of the policies, procedures and mandates of the Unit to which she or he is Secretary. The Secretary keeps the records, correspondence, supplies and notices of the Unit and is the custodian of the Unit's Charter. (As per charge to Secretary in the Ritual Book.)

Also stated should be a record of all things done by the Unit – with details of discussions and personal opinions being omitted. Officers' and chairpersons' reports should be summarized. A copy of each report should be included with the minutes.

TREASURER

As the custodian and disbursing officer of the Unit's funds, the Treasurer is charged with keeping a permanent record and preparing a financial report for presentation at each meeting. The Treasurer must keep the books of the Unit ready at all times for audit.

The Treasurer and Finance Committee should prepare a working, balanced Budget for presentation to the Board of Officers at the Pre-Convention meeting. The Budget should state the probable income of the Unit and the estimated expenses of the Officers and Chairpersons. Once approved by the Board the working Budget must be presented to the parent body for approval.

The Treasurer, as Chairperson of the Finance Committee, works hand in hand with the Directors. Prior to each meeting the Treasurer should meet with the Directors to ensure that all financial mandates, either as stated in the Budget or as otherwise properly authorized (e. g. approved financial motions), have been honored. All expenses should be monitored so as not to exceed the budget's allotments.

WELFARE

The Unit Welfare officer fills an important position in the Auxiliary. As a Welfare Officer it is your duty to give assistance to veterans, their widows and orphans. You are responsible for outreach and assistance to citizens within your communities. You must be sincere and confidential in your dealings and the matters pertaining thereto.

What is the definition of WELFARE? Welfare is the financial or other assistance to an individual or family who is in need. Welfare Work: plans or work to better the social or economic conditions of various underprivileged individuals. This can also include organizations to which you contribute.

Below are some of the things you can work on as a Welfare officer.

SPECIAL PROJECTS

A Special Project is something you, as an Auxiliary, have adopted. It can be a particular person, family, or cause. Some examples are bereavement meals, sympathy cards (not Mass cards), stamps for wounded warriors, etc.

CROSS OF PEACE

MEMORIAL POPPY PROGRAM

This program also gives an opportunity to raise funds to carry out welfare and youth programs. Place your order through national Headquarters.

HISTORIAN

The Historian must know all that is happening within the unit and to present the news of their unit to the public. Record keeping of events is beneficial to the future of the unit. A camera is a must to take photos whenever possible.

The unit Historian is usually the Chairperson of Public Relations. No event, be it great or small, can be successful unless full coverage is given to it and success can always be measured by the publicity it was given. Make yourself known to the editors of your local newspapers. News releases should always be typed, double space and one sided. Always remember the WHO, WHAT, WHEN, WHERE, & WHY.

The office of Historian can be time consuming but the finish product can be very awarding.

PROCEDURE FOR FORMATION OF AN AUXILIARY TO A POST IS AS FOLLOWS:

- A. First, permission must be granted by the Post.
- B. Second, Charter application must be signed by at least 15 eligible applicants and approved by the Post Commander.
- C. Third, Charter application is forwarded through channels to the National Auxiliary, accompanied by Charter fee of ten dollars (\$10.00) plus National Auxiliary per capita tax of twelve (\$12.00) for each member. Where there is a Chapter and Department Auxiliary you will be advised of the necessary fee to be paid to each respective echelon, which is payable yearly. Our fiscal year runs from October 1st to September 30th. Application blanks must be completed for each prospective member and filed with the Auxiliary records.

When forming an Auxiliary, it is advisable to call upon the Chapter Auxiliary President, or the Department President. The President with her Second Vice President (or her designees) will visit and assist the Unit with the formation of an Auxiliary, supplying the membership application blanks, Charter application forms and will guide the applicants in the proper procedure for functioning. In areas where there is neither a Chapter nor Department Auxiliary, then your National Auxiliary will give you the necessary assistance. Your Post Commander can also be of valuable assistance to you.

- D. Temporary officers should be elected to carry on until the Auxiliary has been formed and officially recognized by the National Department. These Officers shall consist of Chaplain, Acting President, Acting Treasurer and Acting Secretary.
- E. PERMANENT OFFICERS: shall be elected at a regular meeting upon notification by the National Auxiliary that this Unit's application for Charter has been accepted by our National Department. Charters are issued by the National Department and bear the date upon which the application was received and accepted by the National Department of the Catholic War Veterans. It is not necessary for the Auxiliary to have the Charter in their possession to hold their elections, but it is absolutely necessary that they have the approved recognition of our organization to function. Once the permanent officers have been elected, all future elections must be held in OCTOBER OF EVERY YEAR.
- F. AUXILIARY OFFICERS shall be: Chaplain, President, 1st Vice President, 2nd Vice President, 3rd Vice President, Treasurer, Welfare Officer, Ritual Officer, Historian, Three-Year Trustee, Two-Year Trustee, One-Year Trustee, and a Secretary who is appointed by the President. The President shall also appoint two Color Bearers but they shall not be considered as members of the Board of Officers. Installations are conducted by the next highest echelon and should take place at the very earliest opportunity after election of officers. Term of office shall terminate with the election of new officers the following October.
- G. CHARTERS: The Charter is your recognition from the National Department of the Catholic War Veterans that you have been properly authorized to function as an Auxiliary of the Catholic War Veterans. This Charter should be framed so

as to preserve it and hung in a conspicuous place in the Post Auxiliary Headquarters. Where there is no headquarters, then a photo static copy of the Charter can be made (reduced size) and framed. This Charter can then be included with Altar articles and presented at each meeting by the Ritual Officer.

- H: CONDUCT OF MEETINGS: All meetings shall be conducted according to the Ritual as specifically outlined for Auxiliary. Each Auxiliary must set up an Altar for all meetings. This Altar should consist of a small table covered with a white cloth, vigil light, Bible and Crucifix. When the vigil light is burning and the Bible opened, the meeting is in session and all discussions must be recorded in the minutes of the meeting by the Secretary. It is to be remembered that the Altar has a definite place in our Ritual and no meeting should be conducted without it. The proper method of placement of the Altar and its significance can be found in detail in the Ritual Book.
- I: RECORDS: The record for membership must be filled out by the Auxiliary 2nd Vice President. When forwarding transmittal per capita sheets, be sure that required amount of per capita for each echelon is included, checking carefully to see that you are sending per capita for every name listed on your sheets. Membership cards are may be printed off the computer once your Auxiliary is set up with a website. The Auxiliary should pay the per capita tax fee for their Chaplain and list his name on the membership roster so he will be included in all mailings.
- J: YEARLY DUES: It is advisable when forming an Auxiliary to set the amount of dues for the year. Each Auxiliary shall determine the amount the members are to pay annually, taking into consideration the necessary expenditures for the year, i.e. per capita to all echelons, Delegates fees to Chapter, State and National Conventions. These expenses should be provided from the Auxiliary Treasury. For dues higher than \$25.00 annually, permission must be obtained from the Auxiliary to the National Department. All Auxiliaries are to be governed by the National Constitution and Auxiliary to the National Department By-laws. In this book will be found eligibility rules and all other pertinent data. In addition, we strongly recommend reading and adhering to the Ritual and Officers Manual for proper functioning of the Unit. The

relationship of the Post and the Auxiliary should be one of cooperation and understanding. The Post Commander appoints a member to act as Liaison to the Auxiliary and it is his or her duty to coordinate the efforts of both Units for the success of any function, religious or social where both participate.

- K: MEETINGS: Auxiliaries hold their own meetings at least once a month, elect their own officers and operate as a Unit. All Units should consult with their Post Commanders and are under the jurisdiction of their Post. When a Post and Auxiliary work together harmoniously, camaraderie exists and both are better able to accomplish the aims and ideals of the Catholic War Veterans of the United States of America.
- L: PROGRAM: Definite programs for each officer have been outlined for the use of the Auxiliaries by your National Auxiliary; they are ours for the asking!
- M: UNIFORM, JEWELRY, ETC: Consult the Auxiliary Ritual Book.

History of the CWV Auxiliary

**St. Agnes
Patroness of the CWV
Auxiliary**

FOR GOD

The Catholic War Veterans Auxiliary is based on a foundation of devotion to Our Blessed Mother; through Mary we seek Jesus.

FOR COUNTRY

The Catholic War Veterans Auxiliary seeks to assist in protecting the rights and privileges of our Veterans, to honor and respect Veterans of all wars, who gave of themselves to preserve our freedom, to foster respect for the Flag of the United States of America.

FOR HOME

The members of the Catholic War Veterans Auxiliary participate in scholarship programs, offer voluntary services to hospitals, homes for the aged, senior citizens, and many community programs and actions.

IN THE BEGINNING...

In early 1935 Monsignor Edward J. Higgins was disturbed by the persecution of nuns and priests that was occurring at that time in Mexico and was upset that none of the existing Veterans organizations were willing to voice their objections to these actions. After conferring with Pope Pius XI, Monsignor Higgins received Papal approval for the formation of a Catholic Veterans organization with many purposes among which is to foster comradeship among Catholic Veterans, to protect their rights and to take positive action against atheism, especially

Communism. It was called the Catholic War Veterans. Before the year was over many Posts were organized in the State of New York. The first Ladies Auxiliary, Jamaica CWV Auxiliary #7, New York, received its charter in December 1935. Between 1936 and 1948 the organization progressed rapidly, organizing Posts and Auxiliaries throughout the states of New York, New Jersey, Pennsylvania, Connecticut, District of Columbia, Wisconsin and Ohio. An Auxiliary could not be organized without sponsorship from a CWV Post sponsorship. Qualifications for membership in the Auxiliary were being a member of the Catholic Church and being related to an eligible Catholic veteran.

During Catholic War Veterans National Conventions, reports of the outstanding work accomplished by the Auxiliaries were received. Much praise was given the Auxiliary members for their services as voluntary workers at the VA Hospitals. They helped by writing letters for and/or feeding the blind, helping disabled paraplegics to their wheelchairs, sponsoring bus rides, distributing gift packages, giving parties with entertainment to celebrate birthdays, Christmas, Easter and other occasions. Wheelchair brigades were formed to assist the wheelchair bound veterans to attend Sunday and Holy Day Masses. Catholic

Chapels were erected, furnished and maintained through contributions and volunteer work of the Auxiliaries. Rehabilitating the veteran and his family, welfare in general and child welfare specifically became major programs. (These programs and many additions are being practiced today through the dedication and hard work of many Auxiliary members.)

In 1948, a call went out to all Auxiliary members to attend a special meeting, held during the National Convention of the Catholic War Veterans at Chicago, Illinois. The purpose of this meeting was to establish a National CWV Auxiliary. The first National Catholic War Veterans Auxiliary Convention was held in May 1949 in Washington, DC.

ALONG THE WAY.....

Many times during each year Auxiliary members participate in Memorial Masses and reflective times. Meetings are begun with a decade of the Rosary and were

ended with three “Hail Mary’s for the conversion of communist countries. Since 1991, with the downfall of the USSR, we dedicate our closing prayers for the conversion of oppressed countries. And we feel we will be successful in praying for the return to God and adherence to the Ten Commandments.

In the forefront of all our programs and activities is the support and assistance to Veterans, especially those that are hospitalized. We need to remind them that we have not forgotten their service to us by helping to maintain our freedom. On the National and Department (State) level this assistance is most frequently that of a monetary nature; the personal projects are carried out by us as representative of our original Auxiliary Units. In time of need, we help the Veteran and his or her family financially and morally, whenever possible.

Respect for the Flag is one of the cornerstones of our Americanism and Civics program. Placing flags on Veterans’ graves, exercising our right to vote, serving on juries and on civic boards are just some of the ways we seek to enhance our country and what it stands for.

Through our Youth projects we endeavor to help youngsters realize their religious and civic obligations, and responsibilities, to enable them to take over for us when we meet our final reward. We assist our parent body with the scholarship programs, both monetarily and physically, and foster ongoing programs relative to the education and well-being of all children.

We, the Auxiliary, from our inception have assisted, and will continue to assist our parent body, the Catholic War Veterans, at all times, in its endeavors to foster their programs.

We sincerely hope, that with the telling of our history and listing of our projects, we will inspire potential members to join us on our journey of devotion.

LOTTERY FUNDRAISER CHAIRPERSON

The National Auxiliary Lottery is run six months during the Auxiliary year (October through September). It is run during each even numbered month – October, December, February, April, June, and August. Each lottery ticket (numbered 001 through 999) is sold for \$25. The number on the ticket is good for each day of each month of the six monthly drawings. It is based on the nightly lottery number of the state Lottery chosen during each day of that even numbered month

During the month of September, the year's Lottery tickets are to be printed. Two tickets are sent to each National Auxiliary Officer and Chairperson, to each National Officer and Chairperson, to each Department President/Department Liaison and to each Department Commander. Also a list of members willing to sell the National Lottery tickets must be established and those persons are also to be sent tickets.

A chart must be prepared listing each ticket number, to whom it was sent, and whether it was paid for (date, check number) or whether the number remains unsold.

Payment for the tickets should be made by check to the "CWV Auxiliary" and sent to the National Lottery Chairperson. After copies of each check are made, the Lottery chairperson sends the checks to the National Office for deposit. A note about the total amount of that deposit is also sent to the National Treasurer.

During the even numbered months when the lottery occurs, records are kept of the winning numbers and the names of the winners. On the 15th and 30th (or last day) of these months, a list of winners with their address and the amount they won must be sent to the National office. The National Office sends checks out to the winners. For each National Board meeting, a report must be prepared listing the amount of monies received, how many winners were paid, and how much was paid out.
